

The sound of silence

(Alto)

Hello darkness, my old friend
I've come to talk with you again
Because a vision softly

Ho....., ho...

Hou hou hou hou hou hou... hou hou hou

Sound

dom dom dom dom

In restless dreams I walked alone

Narrow streets of cobblestone

'Neath the halo of street lamp

I turned my collar to the cold and damp

When my eyes, flash of a neon light

Ho ho ho, the sound, dom dom dom dom dom

In the naked light saw, ho ho ho ho

Maybe more, ho ho ho ho, ho...

Ho without speaking

People hearing wi-ithout listening

People writing songs that voices never share

Da...a.a..red

Sound, dom dom dom,

dom dom dom dom dom dom dom dom

dom dom dom dom dom dom dom dom, Ho...

Ho..... Ho, ho... ho ho

Hear my words that I mi-ight teach you

Take my arms that I mi-ight reach you"

But my words like silent raindro-ops fell, fe...ll

Wells, Dom dom dom

Ha ha ha ha ha, ho ho

bowed and prayed

Ho ho ho ho god they made...

And the sign flashed out i-its warning

In the words that i-it was o-forming

And the sign said, "The words of the prophets

Are written on the subway-ay walls

And tenement halls

And whispered in the sounds of silence"
