

# The sound of silence

(Basse)

Hello darkness, my old friend  
I've come to talk with you again  
Because a vision softly-y creeping  
Left its seeds while I was-a sleeping

Hou, hou, hou hou hou  
Within the sound of silence

Hou hou hou,Hou hou hou

Ho ho ho stree-et lamp, ho

Ho ho ho cold and damp, ho

When my eyes were stabbed by the flash of a neon light

Ho ho ho, ho

The sound of silence

And in the naked light I saw, ho

Ten thousand people, maybe more, ore

Ho ho ho without speaking

People hearing without listening

People writing songs that voices never share

And No one dared

Disturb the sound of silence

Of silence, ho ho ho, ho ho

Dom dom dom, dom dom dom dom, dom

Dom dom dom, dom dom

Dom dom dom, dom

Dom dom dom, dom, dom

Dom dom, dom

Dom, dom, fe..ell

And echoed in the wells, dom dom dom dom dom

And the people bowed and prayed

To the neon god they made

And the sign flashed out i-its warning

In the words that i-it was o-forming...

And the sign said, "The words of the prophets

Are written on the subway-ay walls

And tenement halls

And whispered in the sounds of silence"
