

Wade in the water

(Sop)

Wade in the water
We dey wade in the water, Children
Wade in the water
God said he's gonna trouble the water

Wade in the water
We dey wade in the water, Children
Wade in the water
God's gonna trouble the water

We are the sons and the daughters
We gotta stand up and make it loud
Just like our God told the Pharaoh
"Let my people go, go"

We are a new generation
From the ones who have come before
He's calling us into freedom
Let my people go, go

Wade in the water
We dey wade in the water, Children
Wade in the water
God said he's gonna trouble the water

Wade in the water
We dey wade in the water, Children
Wade in the water
God's gonna trouble the water

We are the sons and the daughters
We gotta stand up and make it loud
Just like our God told the Pharaoh
"Let my people go, go"

We are a new generation
From the ones who have come before
He's calling us into freedom
Let my people go, go

We no go shy, no go shame
Ibi your papa God wey 'e make the heavens
If you know say you no want trouble
Let my people go, go

With blood, sweat and tears
That we've gathered through the years
If you know say you no want trouble
Let my people go, go

Wade in the water
We dey wade in the water, Children
Wade in the water
God said he's gonna trouble the water

Wade in the water
We dey wade in the water, Children
Wade in the water

Oh-oh-oh.....
