

The sound of silence

(Sop)

Hello darkness, my old friend
I've come to talk with you again
Because a vision softly

Hou hou....., hou hou...

Hou... hou hou hou....., hou hou hou

Sound

dom dom dom

Ho ho ho, ho ho ho ho

'Neath the halo of-f stre..et lamp

I turned my collar to the cold and damp

When my eyes, 'on... light

Ho ho ho, and touched the sound

dom dom dom dom

In the naked light saw, ho ho ho ho

Maybe more, ho ho ho ho,

People talking wi-ithout speaking

People hearing wi-ithout listening

People writing songs that voices never share

Da...a.a..red

Sound, dom dom dom dom, of silence

Of silence....

"Fools" said I, "You do... not know
Silence like a cancer grows
Hear my words that I mi-ight teach you
Take my arms that I mi-ight reach you"
But my words like silent raindro-ops fell...
Wells, dom dom dom dom

Ho ho ho ho ho ho ho bowed and prayed
Ho ho ho ho god they made
And the sign flashed out i-its warning
In the words that it.. was -offorming

And the sign said, "The words of the prophets
Are written on the subway-ay walls
And tenement halls
And whispered in the sounds of silence"
