

# 05 Super trouper

(Alto)

Hou,  
hou hou hou, hou,  
hou hou hou, hou,  
Hou, hou hou

Tonight the super trouper lights are gonna find me  
Shining like the sun  
Smiling, having fun  
Feeling like a number one

Tonight the super trouper  
beams are gonna blind me  
But I won't feel blue  
Like I always do  
'Cause somewhere in the crowd, there's you

Lights are gonna find me
