

05 Super trouper

(Tenor)

Hou,
Hou

Tonight the super trouper lights are gonna find me
Shining like the
Super trouper, super trouper
Smiling, having
Super trouper, super trouper
Feeling like a number one

Tonight the super trouper
beams are gonna blind me
But I won't feel
Super trouper, super trouper
Like I always
Super trouper, super trouper
Somewhere in the crowd, there's

Super trouper, lights are gonna find me
