

We shall be known

We shall be known by the company we keep
By the ones who circle round to tend these, fires
We shall be known by the ones who sow and reap
The seeds of change, alive from deep within the earth

It is time now, it is time now that we thrive
It is time we lead ourselves into the well
It is time now, and what a time to be alive
In this Great Turning we shall learn to lead in, love
In this Great Turning we shall learn to lead in, love
