

# Dream a little dream

(Sop)

Doo doo da (x8)

Stars shinin' bright above you  
Night breezes seem to whisper, "I love you"  
Birds singin' in the sycamore tree  
Dream a little dream of me-e

Say, "Nighty-night" and kiss me  
Just hold me tight and tell me you'll miss me  
While I'm alone and blue as can be  
Dream a little dream of me-e

**Stars fadin' but I linger on, dear  
Still cravin' your kiss  
I'm longin' to linger 'til dawn, dear  
Just saying thi-is**

Sweet dreams 'til sunbeams find you  
Sweet dreams that leave all worries behind you  
And in your dreams, whatever they be  
Dream a little dream of me-e

Da, da da, da, da, da, da

Da da da da da da da, da da da da

**Stars fadin' but I linger on, dear  
Still cravin' your kiss  
I'm longin' to linger 'til dawn, dear  
Just saying thi-i-i-i-is**

Sweet dreams 'til sunbeams find you  
Sweet dreams that leave all worries, far behind you  
And in your dreams, whatever they be  
Dream a little dream of me-e  
Dream a little dream of me.....
